

Guided Notes: Copyrights & Online Media

Name:

1. When do creators get copyright protection?
2. What are some of the roles and people that were needed to create a video about a T-Rex autopsy?
3. Yes or No -- would teams of people work hard to make digital media if there was no protection. **BE SURE TO EXPLAIN WHY YOU CHOSE YES OR NO.**
4. Copyright laws give creators legal rights and control over their work. How does this motivate creators to make great digital media?
5. If there were no copyright protections, how would you feel about creating digital media? **BE SURE TO EXPLAIN WHY YOU WOULD FEEL THIS WAY.**
